Matt Kupke***

"Meet the Artist" Opening Reception Friday, December 17th, 2004
6:00 - 9:00 p.m. Hosted wine and light hors d'oeuvres

Join us in the Trophy Room as Tulsa Country Club's own Matt Kupke displays a collection of his professional works. Matt, a recent graduate of the University of Oklahoma School of Art, is a commissioned artist specializing in expressive and emotional interpretations of the human form. Describing his artistic style, Matt says,

"An emotional connection is created every time two or more people interact. This internal sensation can be attributed to the complicated inner workings of the human brain. Describing this reaction through the traditional means of speaking and writing seems too structured and contained to truly represent the internal feelings of people. The creation of artwork, to me, is a primary vehicle for the deeper understanding of people and their invisible vibrations of feeling."
